WELCOME TO COMMUNITY VALUES

Community Values
of Maryland

Hi Neighbors!

My name is Brian McCarty, and I'm a local with a passion for bringing our community closer together. My wife, Brooke, and I moved our family to Parkton last year, and we've fallen in love with the area. We have two boys—one at Fifth District Elementary and the other in Pre-K at Step by Step in Sparks. My stepdaughter is at Hereford High. We're eager to build our future here and be an active part of this wonderful community.

As my tagline says, "From Neighbors, for Neighbors," I aim to create a resource where local businesses can connect with our community and offer their goods and services.

I present to you Community Values, an advertising magazine that will come to your home in Spring, Summer, Fall, Holiday, and Winter! This magazine is more than just advertising; it's about fostering relationships, supporting local enterprises, and making it easier for all of us to find what we need right here in our neighborhood.

Please share the news with any business owners you know and have them reach out!

Together, let's build a stronger, more connected community!
